MEDIUM PRICED Shoes and Slippers.

These goods are substantially and neatly made, and combine great durability with genteel appearance. Economy could desire nothing better, as the stock is the best for wear that enters into any shoe, while the prices are far below those of shoes of extra fine and really unnecessary finish. They can be worn on any occasion, at home or on the street, at church or party, and will look dressy and respectable. Good shoes could not be made for less than the prices we ask for these. They come in all styles and sizes for men, women and children. Prudent buyers, and particularly heads of families, are invited to examine these goods.

ROUSE & PARSONS, NO. 26 SOUTH MARKET ST.

Farms and City Property in Clark County.
Public sale will be made on Monday, Tuesday and Wednesday, December 7, 8 and 9, of the real estate hereafter mentioned.

On Monday a farm of 145 acres, near Hickman's Mills, at 1 o'clock p. m., will be offered on the premises.

On Tuesday a farm of 268 acres, near Catawba Station, will be offered on the premises at 10 o'clock a. m.

These are both very desirable farms, and, to enable persons with limited capital to purchase, have been subdivided, the first farm into nine, and the second into three lots. A better opportunity to buy a small tract of good land has never been offered in this county.

For plates of these farms, showing size of lots, etc., see large posters at all public places in the county.

On Wednesday the city property will be

offered at the hours and places mentioned. At ten o'clock the elegant dwelling, and the fine large lot upon which it stands, at the northeast corner of Limestone and Clifton streets, Springfield, Ohio: At 11 o'clock a lot 30 feet front by 165 feet deep, with two brick houses thereon, just west of the Universalist church, on West Washington street. At 1 o'clock three vacant lots at the northwest corner of Kenton avenue and East street. At 2 o'clock two lots on East Patton street, between Clifton avenue and Pearl street. At 3 o'clock the large lot with brick dwelling thereon at the northeast corner of Center and Washington streets, and at 4 o'clock a 5½-acre tract on East Main street.

Remember that the farms and each tract of city property will be offered on the premises, at the hour and on the days above stated. Never has so much first-class real estate been offered at a master commission-

er's sale in Clark county, and many a day will intervene before another as favorable opportunity to purchasers will be presented. The aggregate cash appraisement is nearly \$75,000. The property is cheap at that amount. It must sell for two-thirds of the appraisement, if more is not offered.

For description, by notes and bounds, see Daily and Weekly Globe-Republic of Thursday.

This property will be sold on an order issued from the U. S. court at Cincinnati.

The terms are very liberal, being one-third cash, and the remainder in two equal annual payments, secured by mortgage on the property sold, and bearing 7 per cent interest.

Any desired information will be cheerfully given by the attorney in the case, A. H. Gillett, at his office, No. 31½ S. Limestone street, or the master, E. G. Coffin.
